

PIEDMONT ORCHARDS BEARING LARGE CROP

Growers of Apples in Lynchburg
Section Are Expecting Good Re-
turns for Their Labors.

SOME OF THE BIG YIELDS
In Radius of Twenty Miles During
Past Two Years 100,000 Trees
Have Been Planted, and Many
Will Set Out This Fall.

(Special to The Times-Dispatch.)
LYNCHBURG, Va., August 8.—The
apple crop in the Piedmont section
contiguous to Lynchburg, is a general
one, will be a large one, though some
orchards will not make a fair yield.
Many orchards, however, will bear
more this fall than ever before, and
yields of 5,000 barrels will not be un-
common. The orchard owners are mak-
ing extensive arrangements for the
gathering and shipping of the crop. The
principal apple grown in this section
of the Albemarle pippin, the black twin
and wincep.

Some of the largest yields near
Lynchburg this fall include the fol-
lowing estimates: Apple Hill farm, 6,000
barrels; Monroe farm, 5,000 barrels;
which farm will also ship 20,000 cases
of peaches during the season; Ridge-
thorpe's orchard, 5,000 barrels; about
Hollow orchard, 6,000; while numerous
Beaufort and Amherst County orchards
will gather from 1,000 to 2,000 barrels.
The real development of the orchard
industry in this section dates back to
five or six years ago, and it had its
real impetus in a meeting of the or-
chard owners in Lynchburg. It is
estimated by a well-known apple
authority that upwards of 100,000 ap-
ple trees have been planted, and many
more will be set the coming autumn
season.

May Have New Store.
It is learned on what appears to be
good authority that an action has
been given to the Lynchburg section
upon the Main Street site of the
theatre, which was recently excavated
for him for the erection of a motion
picture theatre. A local concern has
the option, and if it is exercised the
proposed theatre site as well as that
occupied by the theatre store will be
utilized for a modern store
building, which would have a frontage
on Main Street of fifteen feet. The
work on the theatre was stopped with
the completion of the excavations some
two or three weeks ago.

which was exposed to public auction
Thursday, was withdrawn because the
highest bid, \$14,000, was regarded too
meagre for the property. The house
is located on the Roanoke Road, a
mile from the street cars, and it con-
tains ten acres of land, together with
a \$3,000 residence.

Pushing Railway Work.
The don't have the construction on the
main line of the Southern Railway
from Lynchburg is being pushed
rapidly. The project is to build a
new, Amherst County. Two construc-
tion forces have headquarters at Tye
River, and the new line will be the
result of so many people being located
near the line. The contract covers
about twenty miles, and all of which
will be given an additional track.

Refugees to Meet.
The annual session of the Piedmont
Baptist Association will convene Tues-
day at Emmanuel Baptist Church, Am-
herst County. Among the principal
speakers from outside the bounds of
the association will be Rev. W. W.
Hamilton, of Lynchburg, and Rev. G.
W. McDaniel, of the District of Colum-
bia. McDaniel's principal address will be
relative to the campaign for State-wide
prohibition which culminates in an
election on September 22.

The Lynchburg Retail Merchants' Association has formed a commission

Needs Rain Badly.
The farming sections in Central Vir-
ginia are badly needed rain, as there
has been only limited precipitation
during the past eighteen or twenty
days. The rain of July was very
seasonable, but since that the rain
has been meagre. Crops are not suf-
fering, but unless it rains in a
few days this condition will prevail.
Residents of Bedford County who
use the Roanoke Road to Lynchburg
are engaged in raising a private sub-
scription to repair the road. The
road has been macadamized four or
five years ago, and since then it has
had little or no repair work, and the
surface is rapidly deteriorating.

Marooned in Munich.
Mrs. F. W. Martin, wife of Dr. F. W.
Martin, vice-president of the Randolph
Macon Woman's College, of this city,
who is chaperoning a party of college
girls on a European trip, were mar-
ooned in Munich when the nations of
Europe became involved in war. Mrs.
Martin has advised her husband, by
cable that she and the young women
with her were ordered to Berlin dur-
ing the mobilization of troops, and that
there was no assurance when they
were permitted to depart from the
German capital.

A half dozen children in the immedi-
ate suburbs of Lynchburg have been
bitten by dogs thought to be rabid.
The animal is suffering with rabies.
It was tested at the government labora-
tory in Washington, and the dogs were
found to be suffering with rabies.
Some three or four children are
now being given the Pasteur treatment
in Lynchburg for these bites. The dog
of one or more of the cases being borne
by the local corps of the Salvation
Army. The city has an ordinance
which requires dogs to be muzzled be-
tween May 1 and November 1, and for
some time the measure has been vigor-
ously enforced.

**Red Blotchy Skin
Easily Remedied**
Bathe Your Blood with a Cooling,
Purifying Remedy

When your blood is overheated the con-
gestion or inflammation makes straight
for the skin. Then is the time you need
that famous blood purifier, S. S. S. The
skin is a modified form of mucous mem-
brane and it is in these membranes that
impurities in the blood are prepared for
expulsion. S. S. S. has a most remark-
able action in assisting the membranes
to eliminate these secretions which are
the result of inflammation. Whether they
take the form of catarrh or red patches
on the skin, its cooling, purifying effect
is almost instantaneous. Since it three min-
utes after entering the blood it traverses
the entire circulation. It so acts upon
the cellular tissues in the skin that each
cell reflects any invading germ, and se-
lects only its own essential nutriment
from the blood.

These facts are brought out in a strik-
ingly illustrated book, "What S. S. S. Can
Do," which is mailed free by the Swift
Specific Co., 108 Swift Building, Atlanta, Ga.
Get a bottle of S. S. S. today of any

consequent health. Beware of imitations
and disappointing substitutes.

**HOTCHKISS, JUNIOR, HIGH
GUN IN WEST END SHOOT**
Archer Anderson, Jr., Burles Men in
Class B—Trap-Shooters Affected
With New Mind.

D. Hotchkiss, Jr., the high gun
over all in the regular match yester-
day afternoon and led his class easily.
He is shooting a great clip and is out
for the August high average. W. A.
Hammond, who has not shot much this
season at his daddy's clean up, and
was only one bird behind Hotchkiss.

Archer Anderson, Jr., buried the men
in class "B." In fact he took Hart's,
Flippin's and Basley's scalp without
any trifling, and Hotchkiss was the
only class "A" man he did not have
for the forelock.

Things went the Anderson's way
for while Archer was shooting his
class off of the map, St. George An-
derson was toying with class "C" men
and came in with all their scalps
hanging to his belt.

W. L. Boyd, who came out too late
to get in with the regulars, and broke
seventy-four out of seventy-five shot
at.

A trapshooter's malady, called "mis-
sionitis," is playing havoc with some
of the best shooters of the club and
knocking their scores silly.
The disease is not incurable, and if
treated scientifically, can soon be dis-
ipated, however, if it once gets "set"
on a trapshooter, he may bring out the
old family gun, it will not help him,
and there is nothing left but for him
to quit and take up golfing, as many
quits and fellows have done be-
fore.

Bob Cabell, who broke forty-six out
of fifty the last time he shot, had a
slight attack, while Stuart Christian,
who ran forty-nine out of fifty in the
North Carolina State shoot, was se-
verely affected yesterday afternoon.
Six men landed in the thirty-eight hole
and Dr. Hotchkiss says these men have
a "walking" type of this disease, which
he can cure by the use of his "daily
needle," his operation on Ed Dan-
and Storr will be recalled. He will
operate by request next Saturday on
Gordon Harvie, Mark Hart and Claren-
ce Williams.

The score made at 50 targets follows:
E. D. Hotchkiss, Jr., 47; W. A. Ham-
mond, Jr., 46; Archer Anderson, Jr., 45;
M. D. Hart, 42; W. A. Hammond, Sr., 42;
E. H. Storr, 42; P. J. Flippin, 41; John
C. Casley, 41; W. E. Neilsen, 40; St.
George Anderson, 39; William E. Har-
ris, 38; W. Gordon Harvie, 38; John B.
Cary, 38; J. A. Kain, 38; J. H. Green-
shaw, 38; Jim C. Tigner, 37; W. H.

ris, 19; S. G. Christian, 19.
